Dear Colleague:

We plan to hold another of our informal meetings on statistical mechanics on Wednesday, November 14, 1962, and would be pleased if you could participate.

The purpose of these meetings is to permit an exchange of ideas among workers in this field. We do not, therefore, have too rigid an agenda but hope that participants will give an informal discussion of their current work. Please let me know (on the enclosed card) whether you plan to attend and if you would like me to reserve some time for you to talk.

The meeting will begin at 10:00 A.M. at our school which is now located on the northwest corner of West 183rd Street and St. Nicholas Avenue (601 West 183rd Street). There will be coffee available at 9:30 A.M.

Sincerely yours,
